Reporting Made Easy

The image features a person's hands typing on a laptop keyboard. The laptop screen and the surrounding space are filled with various data visualization icons and charts, including bar graphs, pie charts, and line graphs, all rendered in a light blue color. The background is dark, making the glowing icons stand out. The overall theme is data analysis and reporting.

Reporting in Adobe Connect - Where

- There are three places to find data
 - Under the Meeting or Virtual Classroom
 - Part of the Reports tab
 - In the Administration area

Adobe Connect

Create New **SAVED REPORTS**

i Reporting database synchronized at a regular interval. Report data may be delayed by up to one day.

Content

Select an item from the Content Library and create:

A report containing general information about disk usage, frequency of access, and average scores achieved.

A report that includes the question and response details of all questions asked.

Course

Select a Course and create:

A course roster of currently enrolled learners and the details for their progress.

A course roster that includes all learners who have ever been enrolled in this course.

Curriculum

Select a Curriculum and create:

Reports containing learners, each has progressed within the curriculum.

Reports containing learning of the overall learner progress within the curriculum.

Reporting in Adobe Connect - What

- There are three levels of data
 - For a meeting: Reports by Session
 - Training/Virtual Classroom:
 - Reports by Session (same as above)
 - Across sessions
 - Individual Learner transcripts
 - Reports on course/quiz performance
 - An Event: Start to finish event data
 - Email reports
 - Registration progress
 - Attendance & activity in the room
